

Changes to high performance investment since implementation of *Australia's Winning Edge* in November 2012

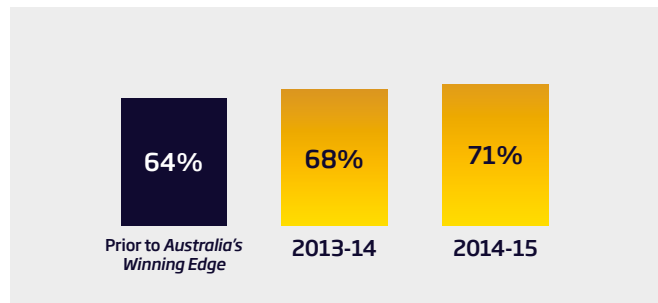

1 Changed high performance investment allocation in **37 sports**

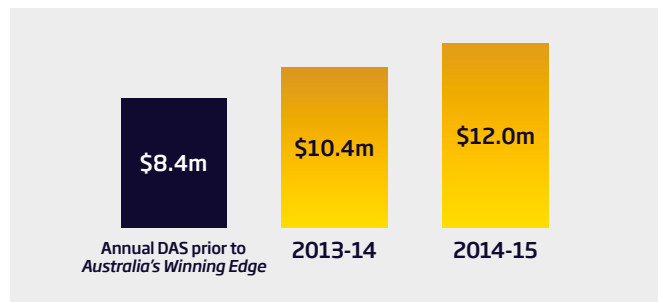

2 Re-allocated **\$20m** of high performance funding amongst sports

3 Increased share of high performance funding to Foundation sports from 64% to **71%**

4 Increased Direct Athlete Support funding by **\$3.6m**

* In 2014-15, 16 sports have a change in their funding allocation, of which 5 did not have a change in their funding allocation in 2013-14.
