Welcome to theclub! Our club has been busily getting teams ready to compete in the forthcoming season. At this time of the season it is good to remind our members about the need for sport to be fun, safe and fair. While we all like to win it is important to remember that the vast majority of participants play sport to be with their friends and to have fun.

We all have responsibility to be good role models and to make sure that we play within the spirit of the game. Whether you are a player, spectator, coach or official we encourage you to abide by the following:

- act within the rules and spirit of the game
- give positive comments to encourage players
- respect officials' and coaches' decisions
- keep emotions in check
- thank players, coaches and officials.

Good luck and don't forget ... Play By The Rules!
